

Staying true to Nautique's dedication to the health and well-being of others, it's with disappointment that we announce the decision to postpone the Nautique Big Dawg World Tour presented by Goode for the 2020 season. Remaining certain that our event participants, staff and attendees stay safe during the current climate of the COVID-19 virus, we've come to the conclusion that forgoing the 2020 Big Dawg season is the most sensible decision we can make. We certainly look forward to 2021 and seeing all of you at the Nautique Big Dawg Tour when it's back and better than ever!
