The Euro Youth Championships 2020 is postponed due to the Covid-19 crisis. It will be held next year in the same location and run simultaneously with the Euro Youth 2021.

That means that all year of birth will have the opportunity to ski for a title in their age division.

Rules and explanation for this unique event will be sent out by the Waterski Council later this year.

On behalf of the EC Bureau,

**Sid Adriaensen**
