

BOTASKI
WOMENS
WEEK

Get fit and have lots of fun at the **Womens Week**.

Because as women, we are worth it.
Because we need positive moments – filling us with energy and happiness.
Because we deserve it.

Come ski with us at one of the best places in the world to waterski -
a private lake complex, 30 minutes from Madrid.

We want to offer an unique experience for all women who want to learn how to waterski or
who want to improve an opportunity to meet and train with other women who share their passion
while we share our coaching experience - a qualified team composed only by women
[Cristina Medem, Sandra & Nadine Botas].

The week is designed for you, with all kind of activities –
from skiing to sunrise yoga in full nature, from a massage to relieve aches to facial treatments & Spa, a Madrid Segway Tour
or a good vibe Zumba class .

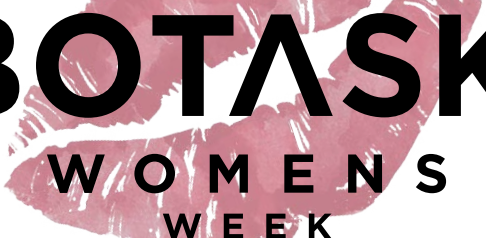

And the best way to finish the day, having dinner in idyllic places like Aranjuez, Madrid, Toledo or Chinchon.

Always in a cheerful, relaxed environment and in group to promote the companionship.
Always accompanied by a staff member that will guide you in this spectacular adventure.

And opportunity that you cannot pass up.
Open to women of all levels, from beginners to expert skiers.
